

# On-Demand Transit in Lafayette, CO

Lafayette introduced their door-to-door on-demand service in July 2020.

## Population

30,687 (2019)

## Land Area

9.4 mi<sup>2</sup>

## Agency Info

2 buses

1 on-demand route

## Pain Points

No transit service  
Inequitable mobility

## Challenges

With no local transit service, many Lafayette residents had no viable mode of transportation. Residents needed equitable access to transportation so they could easily travel in their community to work, shop, or visit friends.

## Solution

Deploy a fare-free transit service that offers residents door-to-door transportation. Residents enjoy personalized transit service that is delivered as efficiently as possible.
